Course & Aid Stations

Aid Stations will **NOT** have aspirin, ibuprofen or other NSAIDs.

This is a challenging course with rugged trails, short hill climbs and sand traps. This race is run in conjunction with the Desert RATS Classic Mountain Bike Race and follows the first part of the same course. The start line is at the Rabbit Valley parking area of the Kokopelli Trail and heads west for 6.5mi. After reaching the aid station, runners will turnaround and experience the challenge from the other direction.

Cupless

In order to be environmentally friendly and cut down on the amount of trash we produce, we will not have cups at the Aid Stations. Please carry a water bottle, hydration pack or collapsible cup on the course.

Medical

At each Aid Station, there will be radio contact available and all necessary materials to nurse any bumps, cuts, bruises, or blisters. The Start/Finish will have a medical tent and medics, including a certified Emergency Medical Technician.

Weather

Weather on the Kokopelli can vary. The averages for May are a low of 47 & a high of 76 degrees. We've had anywhere from 30's to 90's – come prepared!

Packet Pick-Up & Late Registration

Packet Pick-Up & Late Registration will be at the the Fruita Community Center (324 N Coulson St in Fruita) on Friday from 6:30-8:00p.

Staying On Course & Leave No Trace

Racers must stay on the designated course. Shortcutting will result in a disqualification. If you go off course, you must return to the same point you exited in order to continue.

Cryptobiotic soil is the foundation of desert plant life. This dark, knobby crust is made up of many different living organisms and plays a vital role in maintaining the desert eco-system. However, this soil is extremely fragile and can take decades to grow. Even a footprint can damage the crust for decades, having lasting impacts on the desert environment. Stay the trail!

Transfers & Cancellations

There will be no entry transfers. If you regrettably need to cancel your registration, please use [UltraSignup](#). Cancellations are given credit of their registration payment toward any Gemini Adventures event within one year's time, minus at 15% fee. Login to your account, go to Registration History, Edit for the event, and Cancel Registration.

Awards & Party

The party for all racers and Awards Ceremony will be at 6:30p on Saturday at Colorado Backcountry Biker, 1150 S Park Square in Fruita. Followed by a party with dinner and microbrews at Civic Center Park! Don't miss the opportunity to socialize with other racers and win raffle prizes.

Men's & Women's winners will receive comp entries to next year's races.

Customized cowbell awards will be given to the top three male and female finishers in each race in each of the following age groups:

Under 20, 20-29, 30-39, 40-49, 50-59, 60+

Racers will receive customized dog tag finisher's awards as they cross the finish line.

Placer's awards will be distributed at the awards ceremony at approximately 10:30 am. Awards and mementos will not be mailed after the event.

Unforeseen Circumstances

In the case of unforeseeable circumstances due to weather or other extenuating circumstances that prevents the safe continuation of the race, we may end the race at any given time. This rule will be implemented only in most extreme cases for the safety of the runners or officials.

Local Laws

Federal, State, and County laws and ordinances must be followed at all times.

For race-specific decisions, Race Director Reid Delman has the final say.

Dogs

We love dogs! Well-behaved dogs on leashes are welcome at the Start/Finish and aid stations. Unfortunately, we cannot allow dogs on course with their runners.

Community & the Gemini Family

We want to continue to improve! Look for a post-race survey we send to each participant. Please take a couple minutes to fill out the survey with both positives and aspects we can improve on.

Keeping in touch with our racers is important to us! We love to hear how everyone's training has been, what races are on the horizon, countdowns to Gemini Events, and support and advice each of you give to one another for new courses/distances, adventures, injuries, & more.

Follow our [Facebook](#) event for updates, news, advice, and pictures.
